

PARTWORKS WEEKLY DELIVERY UPDATE – ON-SALE 5th OCTOBER 2017

There are weekly changes to on-sale schedules for Partworks Titles at the moment, so to keep you informed of these changes, we will send you this notice so you can pass on this information to your customers.

You were sent this notification as your store ranges one or more of the following titles.

Please note, that if one issue of a collection has not yet been supplied, then we will send the next available issue. Therefore some series will be distributed "out of sequence" and we will back fill the missing issues as soon as we receive the stock.

Please see below for this week's issue changes:

Build a Solar System

- Build a Solar System Collection Issue 52 is the end of this collection. Issue 53 is a free issue attached to issue 52 which is the start of a new build up collection (Build a sun moon and earth orbiter). This week you have received issue 52 and 53 which are to be sold together.
