

PARTWORKS WEEKLY DELIVERY UPDATE – ON-SALE 10th MAY 2018

There are weekly changes to on-sale schedules for Partworks Titles at the moment, so to keep you informed of these changes, we will send you this notice so you can pass on this information to your customers.

You were sent this notification as your store ranges one or more of the following titles.

Please note, that if one issue of a collection has not yet been supplied, then we will send the next available issue. Therefore some series will be distributed "out of sequence" and we will back fill the missing issues as soon as we receive the stock.

Please see below for this week's issue changes:

Art of Crochet

- In today's despatch you have received issue 84. Unfortunately we are still waiting for issue 76. We plan to have issue 76 delivered to you in your next part works despatch.

Dr Who – The Complete Collection

- Due to stock flow issues, in your despatch today you have received issue 47 instead of issue 44. We hope to receive this stock soon and have despatch run back to normal going forward.

Disney Animal World

- Due to global success and great performance in the NZ market the publisher has extended this series from 60 issues to 100 issues. Please advise all interested customers.

Amercom

- Just a reminder that you are no longer able to backorder any Amercom titles as they are obsolete. Titles include Legendary Cars, Giant War Planes, Great British Locomotives and Locomotives of the World.

Delorean

- If you have any customers enquiring about missing part please contact our call centre with the details and we will be able to replace or locate missing parts.
