## THE CAPTAIN

So, who am I? And what am I doing tapping on this keyboard and publishing a glossy magazine instead of chasing Tahitian women, hand-lining giant sharks from a creaking timber ship and drinking rum from an old tin cup?

- ✓ Well, I am drinking rum, but I'm also hunting a modern form of treasure, something not so easy to find these days.
- ✓ I'm looking for stories, real stories of awesome adventures and dynamite destinations.

## HEAVY DUTY SPECIAL

Welcome to the second special issue of Tech Torq. It's been over 25 years since HEAVY DUTY began publication and one thing has been crystal clear along the way – our readers are very tech savvy when it comes to their motorcycles.

- ✓ Yet despite this there is a hunger out there for more information on various technical aspects. Nevertheless, some questions are recurrent, especially those concerning oils and performance modifications and regular readers will know that I most often call on experts in the various fields for answers.
