

Dear Retailer,

Please note the current issue of **Motorcycle Trader & News #282** has a misprint on the cover and has Issue #281 on the cover above the barcode instead of #282. The Issue Number on the spine of the magazine is correct however. Please ask retailers not to mistake Issue 282 as 281 and do early returns. Below are covers of both issues which should help eliminate confusion.

**CURRENT ISSUE**  
**Issue 282**

Title Code: 508260 /295  
On sale Date: 24/7/17  
Recall date: 21/8/17

**Issue 281**

Title Code: 508260 /290  
On sale Date: 26/6/17  
Recall date: 24/7/17

Kind regards,
