

IMPORTANT NOTICE – MAGAZINES RESUME

UNDER ALERT LEVEL 3 FROM THURSDAY 30TH APRIL

Dear Magazine Retailer

Firstly, we are very thankful that as a country we all stood together and abided by the Alert Level 4 rules, whether you were part of an 'Essential Service' or at home maintaining your 'Bubbles' means the Govt has been able to move us quickly to Alert Level 3.

IT ALSO MEANS MAGAZINES WILL RECOMMENCE FROM THURSDAY APRIL 30TH

So, if your store was an 'Essential Service' store under Alert Level 4, you do not need to do anything, deliveries will resume immediately for you.

But, if you were at home maintaining your 'Bubble' and are now able to reopen your business, please advise us as soon as you have been given the all clear from the Govt. that you meet the Health & Safety requirements of Alert Level 3. We will then reactivate your account so that we can resume deliveries to you.

For stores reopening, we will be sending further communications to assist you through the next few weeks as you build back up your stock levels and complete any outstanding or late returns resulting from the sudden closure Alert Level 4 created.

Whereas it is great to be back in business, please keep in mind the importance of what we are trying to achieve as a country and lets all adhere to the strict health & safety, and physical distancing rules of Alert Level 3.

Stay well & keep safe,

Regards,

The team at Ovato Retail Distribution
