

IMPORTANT NOTICE

FROM 31ST AUGUST AUCKLAND MOVES TO LEVEL 2

Dear Auckland Magazine Retailer,

As of Monday, 31st August we move into Alert Level 2, so Non- Essential retailers can now re-open.

If your store was closed during Level 3, we will now start delivering all invoices/bundles being held for you. This will help ensure you have continuity of stock for your customers and less gaps on your magazine stand.

We have automatically credited a few of the weekly titles if you were closed and this has been communicated via email to you. However, there will be other weekly titles among the mixture of bundles being delivered from Monday 31st and some of these will now be on recall.

So please complete these as returns via your normal 'Standard Returns' process. We have put together the attached listing to help you with this.

Please ensure that you process all your returns, starting with the oldest and working forward (17th, 24th, then 31st). Remembering that you have 21-days prior to our cut-off.

And lastly, we ask that you are mindful of the extreme volumes Courier Post are experiencing at present as this may result in your magazine deliveries being later than normal. Please be understanding & remain patient during the next few weeks whilst this settles back into our regular delivery times.

Stay well & keep safe,

Regards,

The Team at Ovato Retail Distribution
