

WHO WEEKLY –

CHANGES TO THURSDAY ONSALE

Dear Retailer,

As you will have noted WHO Weekly has recently had some delays meeting its regular Monday onsale day. This title is airfreighted to us and due to increases in air cargo, we expect there to be intermittent delays for some time as yet.

So, to reduce the need to credit and reinvoice you each time this happens, we are changing the onsale day of WHO Weekly to Thursday until airfreight deliveries return to normal.

We apologise for any inconvenience to you and your regular WHO Weekly customers and would appreciate if you please advise this update to them.

And please note you do not have to request or process these credits yourself; we will do this for you and post them online for you to access.

Stay well, keep safe and be kind,

Regards,

The team at Are Direct
