

National Geographic History

A magnificent magazine richly illustrated and expertly written by renowned historians whose captivating stories span the ages and foster an appreciation of the role history plays in our lives. In each issue you'll explore the march of civilization from ancient times to the modern era, examine the forces behind history's most explosive conflicts, gain an understanding of the culture and art that sprang forth from every epoch and come away with a greater understanding of who we are, and where we come from.

In this issue we explore...

Augustus, Forger of an Empire.

Also features...

The Altamira Caves, Queens of Thebes, Jack the Ripper, La Alhambra

Vogue Special Edition

Colloquially and affectionately referred to as “fashion’s biggest night out,” the Met Gala is a pinnacle of iconic style. A fundraising benefit for the Metropolitan Museum of Art in New York City, the event welcomes celebrity stars, young creatives, and industry paragons alike. And the excitement doesn’t stop there—the gala also signifies the highly anticipated grand opening of the Costume Institute’s annual fashion exhibition. This year, we honor Comme des Garçons designer Rei Kawakubo with an exhibition entitled “Rei Kawakubo/Comme des Garçons: Art of the In-Between.”
